

Sing Together for Primary Schools

Sing Together is a singing project for primary school children, their music teachers and their class teachers. Designed to inspire and engage children in group singing and provide classroom and music teachers with singing resources to use throughout the school, Sing Together is suitable for years 1, 2, 3 and 4 and includes:

- **three in school workshops for participating classes**
- **an in school performance with participating classes**
- **singing resources including warm-up activities and songs**

Project Details:

Three School Workshop Days

Members of the VOCES8 Foundation's singing team visit your school to work with all participating classes. Each class receives a 45 to 50 minute workshop that involves warm-up activities and learning songs.

Singing Resources

Your school is given teaching and sing along videos, backing tracks and accompanying materials to enable teachers to practise the songs with their classes. Resources also include additional songs for use at any time.

Interactive Performance

The VOCES8 Foundation's singing team returns to your school together with singers from our a cappella groups for performances with participating classes.

What happens in an Interactive Performance?

Children meet and hear the a cappella group. They learn about each voice before joining in to warm-up their voices and perform with the a cappella group. The performances are participatory events designed to enable the children to engage with the singers, hear a range of ensemble vocal music and importantly, to sing with the group. Performances are usually 1 hour long.

What is the VOCES8 Foundation?

The VOCES8 Foundation is a Music Education Charity that works with schools and communities. The Foundation is based in London and has worked in partnership with Hackney and Tower Hamlets for nearly 15 years. Our a cappella groups perform around the world and record for record labels including Decca.

You can find out more about the Foundation [here](#)

Links to see and hear some of our singers are below:

[When the Red, Red Robin](#) composed by Henry Wood and arranged by Greg Link
